

W-F Booster Club Meeting Agenda

June 13, 2018, 7:00 pm

MEET IN MIDDLE SCHOOL IMC

Roll Call 6 present

Guest Introductions – N/A

Treasurer's Report Treasurers report presented by Dan Knecht. Funds that have been received for golf outing was discussed as well as negative general account balance. Motion to approve was made by Tom Chase and seconded by Jen Titus. Motion approved.

Old Business

- Membership/Newsletter – do you want Julia to continue doing these? Discussion regarding membership: Membership has not been a major portion of the clubs revenue generation, and most present were ok with that. Having current members published in sports programs has helped with membership. Newsletter: Suggestion was made to have Newsletter coincide with sports seasons or just have bi-annual. The newsletter has become a significant communication tool for the booster club and members present felt it was valuable and should not be discontinued.
- Sound system updates Pat Fee reported the system has been shipped and should arrive soon. We have a 30 day trial period. Pat will coordinate trials with School District and Booster Club representatives.
- Banner updates: We would like to revisit pricing and policy on Banners. Subject was tabled until next meeting.
- Brian Butch camp recap: 73 W-F athletes participated, total of 83 children. \$360 donation from the club was appreciated. Thank you letter was received: Tim Cullen & Weyauwega-Fremont Booster Club,
- Golf outing - raffle baskets, food, etc. Letter asking for sponsorship and participation has been sent and a number of teams are registered. Prizes are starting to accumulate but more are needed. Sport coaches present committed to supplying basket for golf outing. Tim Cullen will contact Scheels and Dan Knecht will contact Weyauwega – Fremont businesses.

New Business

- Basketball winch bids: Email from Wes Schroeder was read regarding bid prices he received for new system. Three quotes, B&R Bleacher \$16,670, Badger \$18,000, 3rd higher than Badger. Club discussed project and plans to suggest to school to move forward with basketball winch system project with surplus funds from fitness center donation.
 - Kyle Loughrin requested that the booster club pay for Boys Basketball entry fee for summer Boys Basketball league as it had in the past. Entry fee was \$700. After discussion a motion was made and approved to fund the summer league.
 - Lynn Owen donation was discussed and tabled until next meeting.

Next meeting is July 11, 2018 @ 7:00 PM
