PRESIDENT'S MESSAGE – Tim Cullen

Dear Weyauwega-Fremont Boosters,

It is a privilege to serve alongside of other Booster Club members helping improve the landscape and environment for current and future student athletes in the Weyauwega – Fremont School District.

Have you considered joining the Booster club, or are you a member that would like to become more involved?

Booster club information is posted on the Weyauwega-Fremont School district website

(http://www.wegafremont.k12.wi.us/district_info/booster_club). Please check it out as there is no better time to join than the present. On the web site you can find meeting times, hall of fame nomination forms, membership forms, newsletters, recent projects, suggested projects and much more.

I want to thank all of you in our outstanding Booster Club group of: officers, coaches, parents, students, administration, and volunteers; who have worked countless hours for the benefit of our programs.

In recent conversations I have had outside of our Weyauwega–Fremont community numerous people have taken notice of the substantial changes that are taking place. It is so refreshing to see all the action being put forth in our Weyauwega and Fremont communities to make them better. The renovation of the school is creating a noticeable improvement. Weyauwega-Fremont student athletes will be well served with the new facilities, but more important than the facilities is the people that are mentoring our students. What student-athletes need, what they are longing for, what is a huge motivation to participate in sports, are relationships. We are blessed to have some of the finest coaches, teachers, parent volunteers, administration, and facility workers. As community members, and sports boosters let's make sure we support our teams and staff in a positive manner. The goal is to create a culture of high community pride with a great fan experience that becomes the foundation of our young student athletes to build an adult life on.

Weyauwega-Fremont Pride,
Tim Cullen
