Treasurer's Report

Ending balance as of October 11, 2017: \$27,662.47. Expenses to TLC. Made \$2000 in homecoming concessions. Motion made to approve Jen, Julia 2nd.

Old Business

Membership/Newsletter – Tim suggested we should update a few things on the district website (delete HOF, weight room, sprinklers). Membership should be encouraged to get younger people engaged.

Letterman's Club – Rena shared updates. A rundown of their current by-laws. She suggested a percentage breakdown of volunteer hours for their jacket:

- 5 hours=25%
- 10 hours=50%
- 15 hours=75%
- 20+hours=\$100

Attending sporting events, Booster Club meetings, athletic service, help with coaching, etc. Jeff asked if the policy is approved through WIAA rules, he will check. Hours would be cumulative. Jackets are around \$300 each. After WIAA approves the by-laws we will make a final approval at the next meeting. This is a great way to get the word out about the Booster Club and how we support the athletes and their families. We need to be careful what we count for the kids hours is not the same event that athletics gets something from, too (double dipping, so to speak).

Homecoming Concessions debrief – Sports that are eligible for funds are football, boys basketball, girls basketball, football, softball, volleyball.

Hall of Fame Banquet – Dan sent out letters to previous inductees. Matt Rhode is coming for sure. Having a hard time getting a photo of Jenny Lind. Dan will send Julia the HOF flyer to be added to the weekly elementary school newsletters. Information will also go in the newspaper insert. Josie plans to work a lot on the power point. Asked if Josie could present the power point at our next meeting and Dan bring a draft of the Program.

Facilities Form – Starting in November, our meetings will be held in the middle school IMC until construction is completed.
